(Pre-conference workshops May 15, 2016)

Conference Venue

Wyndham Orlando Resort, International Drive, Florida, USA
<http://www.wyndhamorlandoresort.com/>

Conference Theme

Technology – Future Thinking

With a multitude of new and enabling technologies in all fields of life, the IAMOT 2016 will focus on Future thinking and the foresight of the technology and its impact on the new world. The conference will explore ideas and inventions that can change lives, enabling technologies, scientists and futurologists with big ideas and how it can transform the world.

The conference will address the future of MOT Education, R&D, technology transfer, theory of technology, and managing innovation and emerging technologies; in light of future thinking. Additional tracks to our traditional tracks have been added to IAMOT 2016 program, and others are solicited from the membership.

**PLEASE VISIT OUR WEB SITE AT: www.iamot.com OR THE CONFERENCE WEBSITE
